Recommended **Restrictions** for **BYOiPads**

Laura B. Sprague School

ITS Department, September 2015

About Restrictions (parental controls) on iPhone, iPad, and iPod touch.

You can turn on Restrictions, also known as parental controls, on your iOS device to prevent access to specific apps and features. Learn about the types of Restrictions and how to turn them on and off on your device.

The following screenshots show our suggested restrictions for your child's device while at school. Setting a higher level of restrictions may hinder your child's ability to participate in learning activities at school.

\$	9:41 AM	100%
Settings	General	
Airplane Mode	About	>
Wi-Fi WiFi	Software Update	>
Bluetooth Off		
	Siri	>

Display & Brightness	Multitasking Gestures	
Wallpaper	Use four or five fingers to: • Pinch to the Home Screen	
Sounds	Swipe left or right between apps	
Passcode	USE SIDE SWITCH TO:	
Privacy	Lock Rotation	
	Mute	~
iCloud	Rotation Lock is available in Control Center.	
iTunes & App Store	Usage	>
	Background App Refresh	>
Mail, Contacts, Calendars		
Notes	Auto-Look 2.1	Ainutos
Reminders	Restrictions	Off >
Messages		

See what you can restrict

Tap Enable Restrictions and enter a passcode. You'll need this passcode to change your settings or turn off Restrictions.

When an option is on, or you see a checkmark next to an item, that means you're allowing access to that item. Turn options off to restrict access.

Disable Notifications

Notifications are pop-up alerts that are generated by many native and third party apps in iOS. We have found that these can be quite disruptive for our students, and ask that you disable notifications for the following apps:

iMessage

• Mail Apps (iOS Mail, Gmail etc.)

Game Center

All Games
